The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chair Granger and Ranking Member DeLauro:

I am requesting funding for the City of Murrieta Mobile Command Center in fiscal year 2024. The entity to receive funding for this project is the City of Murrieta, located at 1 Town Square Murrieta CA 92562

The funding would be used to purchase a new mobile command center for use by City of Murrieta Police as well as regional law enforcement and public safety partners.

The project is an appropriate use of taxpayer funds because a modern mobile command center would allow the department to have a presence in the community and respond rapidly to any public safety situation or major disaster while enabling Murrieta's department to monitor an event closely and communicate more effectively with City departments, external partners, other public safety organizations and the community.

The project has a Federal nexus because the funding provided is for purposes authorized in section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Thank you for your consideration in supporting an important project.

Sincerely,

DARRELL ISSA
Member of Congress
